The values shown above, except for stock, customer's goods and tools, are based on the cost of rebuilding or replacing with new materials of similar kind and quality at today's prices on one of the following basis:

- a) Actual Cash Value
- b) Replacement Cost

The values stated above represent:

- a) Cost price for stock (if otherwise indicate basis of valuation) _____
- b) Actual cash value for customer's goods (state if otherwise) _____
- c) Are tools valued at replacement cost? _____
- d) If there is any property in any of the premises that is not included in the values stated list it and indicate if it is to be excluded from insurance: _____

I/we hereby certify that the values declared here represent to the best of my/our knowledge the actual cash value of the property described or the cost of replacement, whichever basis is indicated above.

Statutory condition #1 of the Fire Policy reads as follows:

Misrepresentation: if any person applying for insurance falsely describes the property to the prejudice of the insurer in order to enable it to judge the risk to be undertaken, the contract shall be void as to any property in relation to which the misrepresentation or omission is material.
