2. If we defend you against an "action" and your indemnitee is also named as a party to the "action", we will have the right and duty to defend that indemnitee if all of the following conditions are met:
 - a. The "action" against the indemnitee seeks "compensatory damages" for which you have assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";

- a. We have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A, B** or **D** or medical expenses under Coverage **C**; or
- b. The conditions set forth above, or the terms of the agreement described in Paragraph **2.f.** above, are no longer met.

 - c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are also insureds, but only with respect to their duties as your managers.

 - f. A college or school, you are an insured. "Your boards" are also insureds. Your lawfully elected or appointed officials, "executive officers", directors, trustees or commissioners are also insureds, but only with respect to their duties as your elected or appointed officials, "executive officers", directors, trustees or commissioners.  - g. An organization other than a partnership, joint venture, limited liability company, trust, public entity, or college or school, you are an insured. Your "executive officers" and directors are also insureds, but only with respect to their duties as your "executive officers" or directors. However, none of these "employees", "student interns" or "volunteer workers" are insureds for:

Unless you are in the business or occupation of providing "professional health care services", Paragraphs **(1)(a)**, **(b)**, and **(c)** above do not apply to "bodily injury" arising out of providing or failing to provide first aid by any of your "employees", "student interns" or "volunteer workers". Any of your "employees" or "volunteer workers" providing or failing to provide first aid during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business. Any of your "student interns" providing or failing to provide first aid during their work hours for you will be deemed to be performing duties at your direction and within the scope of their training.

- (2) "Property damage" to property:

 - you, any of your "employees", "student interns" or "volunteer workers", any of your partners or members (if you are a partnership or joint venture), or any of your members (if you are a limited liability company).

 - (1) With respect to liability arising out of the maintenance or use of that property; and
 - (2) Until your legal representative has been appointed.

No person or organization is an insured with respect to the conduct of any current or past partnership or joint venture that is not shown as a Named Insured in the Common Policy Declarations. This paragraph does not apply to any such partnership or joint venture that otherwise qualifies as an insured under Section **II** – Who Is An Insured.

SECTION IV – WRAP-UP LIABILITY CONDITIONS

The following conditions apply to this insurance in addition to the conditions in the Common Policy Conditions form that is part of your policy:

1. Bankruptcy

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.
- e. The following provisions apply to Paragraph a. above, but only for the purposes of the insurance provided to you or any insured listed under Paragraph 1. or 2. of Section II – Who Is An Insured:
- (1) Notice to us or our authorized representative of such "occurrence" or offence must be given as soon as practicable only after the "occurrence" or offence is known to any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give notice of an "occurrence" or offence.
 - (2) If you are a partnership, joint venture, limited liability company or trust, and none of your partners, joint venture members, managers or trustees are individuals, notice to us or our authorized representative of such "occurrence" or offence must be given as soon as practicable only after the "occurrence" or offence is known by:
 - (a) Any individual who is:
 - (i) A partner or member of any partnership or joint venture;

 - (b) Any "employee" authorized by such partnership, joint venture, limited liability company, trust, public entity, college or school or other organization to give notice of an "occurrence" or offence.

Do not add this form to a policy. It is for informational purposes only.

3. Legal Action Against Us

No person or organization has a right under this insurance:

- a. To join us as a party or otherwise bring us into an "action" asking for "compensatory damages" from an insured; or
- b. To sue us unless all of the terms of this insurance have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured, but we will not be liable for "compensatory damages" that are not payable under the terms of this insurance or that are in excess of the applicable limit of insurance. As used in this paragraph, an agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If valid and collectible "other insurance" is available to the insured for a loss we cover under Coverages **A**, **B** or **D**, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the "other insurance" is also primary. Then, we will share with all that "other insurance" by the method described in Paragraph **c.** below.

b. Excess Insurance

This insurance is excess over any of the "other insurance", whether primary, excess, contingent or on any other basis:

- (1) That is Property insurance for "your work", such as Fire, Builder's Risk, Installation Risk or similar coverage;
- (2) That is Property insurance for premises rented to you or temporarily occupied by you with permission of the owner;
- (3) If the loss arises out of the ownership, maintenance, use or entrustment to others of any watercraft, "automobile" or motorized snow vehicle to the extent not subject to Exclusion **a.** or **b.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability; or
- (4) That is available to the insured when the insured is added as an additional insured under any other policy.

When this insurance is excess, we will have no duty under Coverages **A**, **B** or **D** to defend the insured against any "action" if any other insurer has a duty to defend the insured against that "action". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over "other insurance", we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such "other insurance" would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that "other insurance".

We will share the remaining loss, if any, with any "other insurance" that is not described in this Excess Insurance provision.

c. Method Of Sharing

If all of the "other insurance" permits contribution by equal shares, we will follow this method also. Under this method, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the "other insurance" does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

As used anywhere in this coverage form or any of its endorsements, other insurer means a provider of "other

insurance".

5. Premium Audit

- a. We will compute all premiums for this insurance in accordance with our rules and rates.
- b. The premium shown in the Common Policy Declarations may be an estimated premium only. If it is an estimated premium, your policy will contain an endorsement that shows when and how we compute your deposit premium and your actual premium.
- c. If the premium is an estimated premium, the first Named Insured must keep records of the information we need for premium computation and must send us copies of those records at such times as we may request.

6. Representations, Unintentional Errors Or Omissions

By accepting this policy, you agree that:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

The unintentional error in, or unintentional omission of, any information provided by you which we relied upon in issuing this insurance will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of termination or nonrenewal in accordance with applicable insurance laws or regulations.

7. Separation Of Insureds, Cross Liability

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "action" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

- a. If the insured has rights to recover from others all or part of any payment we have made under this insurance in connection with a claim or "action", those rights are transferred to us. Except as provided in Paragraph **b.** below, the insured must do nothing to impair such rights. At our request, the insured will bring action or initiate an alternative dispute resolution proceeding to enforce those rights, or will transfer those rights to us and help us enforce them.

We will apply any amounts recovered in enforcing those rights of recovery in the following order:

- (1) First, we will reimburse any person or organization (including us or the insured) any amount such person or organization has paid in excess of the Limits of Insurance shown in the Wrap-Up Liability Declarations.
- (2) Next, if there is any amount remaining, we will retain an amount equal to the amount we have paid under this insurance in connection with the claim or "action".
- (3) Then, if there is any amount remaining, we will pay that amount to the insured, including any amounts within any deductible or self-insured retention applicable to this insurance.

If any amounts are recovered in enforcing those rights of recovery, reasonable expenses incurred in enforcing such rights will be shared among all persons or organizations receiving amounts recovered. Each such person's or organization's share of those expenses will be based on the ratio of its amount recovered to the total amount recovered by all such persons or organizations in enforcing such rights. We will deduct each such person's or organization's share of those expenses from any amount we pay to such person or organization.

- b. If the insured has agreed in a contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against such person or organization, but only for payments we make because of:
 - (1) "Bodily injury" or "property damage" caused by an "occurrence" that takes place; or
