		\$	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Open <input type="checkbox"/> Closed

ADDITIONAL COMMENTS (If additional page(s) required please attach)

DECLARATIONS AND PRIVACY STATEMENT

This Application is not a representation that coverage does or does not exist for a particular claim or loss, or type of claim or loss, under any insurance policy issued by St. Paul Fire and Marine Insurance Company. Whether coverage exists or does not exist for a particular claim or loss under such policy depends on the facts and circumstances involved in the claim or loss and all applicable policy wording.

The undersigned is an authorized representative of the prospective Named Insured and certifies that reasonable inquiry has been made to obtain the answers to these questions. He or she certifies that the answers are true, correct and complete to the best of his/her knowledge and belief.

Where information has been provided about an individual(s), the undersigned confirms he or she has consent to disclose that information. The undersigned acknowledges that without this consent and his or her confirmation of consent, St. Paul Fire and Marine Insurance Company would not be able to consider this Application or submission.

It is agreed that we may collect information about individuals in the course of considering the Application and submission and if we issue a policy, we may collect personal information in the course of conducting our relationship with you. Such personal information will be processed for the purpose of underwriting your coverage, managing any policy issued, providing risk management advice and administering claims. We may pass such information on to our reinsurers, legal advisors, loss adjusters or agents for these and other purposes associated with the insuring agreement.

Signing this Application shall not constitute a binder or obligate St. Paul Fire and Marine Insurance Company to provide Property, Liability, Technology Errors and Omissions or Copyright or Trademark Infringement but it is agreed that this Application shall be the basis upon which a Policy may be issued. All information provided in this Application forms part of any policy effected pursuant to completion of such section.
