

INTEGRITY+ by Chubb

Blended Errors & Omissions Liability Insurance for Information and Network Technology Companies

New Risks Require New Solutions

INTEGRITY+ by Chubb is a blended errors and omissions liability policy designed to meet the evolving demands of information and network technology companies in today's litigious climate.

With the frequency of security breaches, privacy violations on the rise, and the emergence of new media exposures, INTEGRITY+ offers a complete solution for all of your technology insurance needs.

What's Included:

- **Product Or Service Financial Injury** – “traditional” E&O liability insurance for product or service defects or performance failures in providing technology, data security and other services.
- **Technology Related Injury** – liability insurance protection for specific types of **intellectual property** infringements (including computer code) **privacy** violations, libel, slander and other so-called “**personal injury**” offences in any medium.
- **Privacy Remediation Expenses** – first party insurance to reimburse you for expenses you incur to comply with privacy data security breach notification laws after a breach.

Product or Service Financial Injury	Technology Related Injury	Privacy Remediation Expense
Financial injury arising from defects, deficiencies or failure to perform pursuant to a contract	Coverage applies whether: <ul style="list-style-type: none">• the insured commits the infringement, violation or offense; or• the insured is otherwise legally responsible because of a product or service defect, performance failure, or breach of data security	Insured's costs to comply with Security Breach Notification Laws \$100,000 limit included Option to purchase limits up to \$1,000,000

This literature is descriptive only. Whether or not to what extent a particular loss is covered depends on the facts and circumstances of the loss and the terms and conditions of the policy as issued. Claims examples are based on actual cases, composites of actual cases, or hypothetical situations. Actual coverage is subject to the language of the policies as issued.
